INFLATABLE CRAFT 

Fully customisable,  
elegant spacious deck  
- ideal for group activities

# ORCA

### COMFORTABLE, ELEGANT & SAFE

A spacious deck with non-slip surface, and large floats provide a safe, comfortable and protected space. Ideal for all types of group activities, including sports, diving and tourist excursions.

Speed and acceleration are enhanced by an aerodynamic float and distinctive 'V'-shaped hull

### RESISTANT, UNSINKABLE HULL & DECK

Compact hull and spacious deck cast in a single body; soundproof, vibration-free, and tension-free.

### HIGH TENACITY BUOYANCY CHAMBERS

Withstand scratches and extreme temperatures between -30 °C and +70 °C. Pressure release valves protect against sudden impacts or temperature increases. Optional polyurethane (PU) chambers, with even greater resistance to solvents, sun aging and hydrocarbons.

### CERTIFIED QUALITY

All our models have passed the most demanding tests required that guarantee the buoyancy and stability of in the harshest of conditions.

Certified manufacturing system. Control of all production and design processes. ISO 9001:2015

Fully configurable

Optional equipment

- Raised platform
- Custom upholstery
- Electric Engines
- Stairs and boarding platforms
- Windlass and bow thruster

Technical data

MODEL	ORCA 10	ORCA 12
Length	993cm	1,170cm
Beam	308cm	315cm
Tube diameter	60cm	60cm
Chambers	7	7
Max engine power	2x350 hp	3x300 hp
Engine shaft type	XL/XL	XL/XXL/XL
Max. Pax Num.	21/16	25/16
Weight approx	1,502 kg	1,950 kg
Design category	C/B	C/B
