- Provided with a lifting loop and orange buddy line
- Available in adult and child sizes with specific size recommendations
 - Adult - 150n 15-43kg
 - Child - 85n >43kg
- The adult life jacket is appropriate for passengers with chest size up to 175cm and overweight passengers
- Compatibility with Lalizas Lifejacket LED Flashing Light
- Mandatory on EU flagged vessels in compliance with regulations

Donning instructions

1. Clear any clothing or items that may hinder donning.
2. Unbuckle straps and lay it flat.
3. Position the lifejacket over your head, ensuring the label faces out.
4. Fasten the straps snugly around your torso.

In an emergency situation, if needed, enter into water feet first while holding the lifejacket.
